

UAYSL

Electronic Roster Procedure – Indoor 2021

Alaska Youth Soccer Association has mandated the use of electronic rosters for all sanctioned leagues and tournaments. UAYSL has developed the following procedure for electronic rosters which is to be used for league games. This procedure will also be posted on the UAYSL website:

- Teams must use GotSport to create an electronic version of their roster for each game. It can be a regular roster or a Game Day roster. Save as a pdf.
- **Required** - print the roster and bring a paper copy, or copies, to the game as a back-up. This is important as some field complexes may have spotty cell service or none at all.
- **Required** - Email roster to the UAYSL Referee Assignor, Paton Stott, at least 24 hours in advance of game. Be sure to include game specifics for each roster. Paton will deliver to the assigned referees.
Email To: patonstott@live.com
- **Required** - Email the roster to opposing coaches & managers 24 hours prior to the game. UAYSL will provide a comprehensive email list of all coaches and managers for each applicable session.
- At the venue, the roster can be texted to opposing team coach and/or manager and the head referee, if that referee is an adult, or other adult referees present if the head ref cannot receive a text, or if roster was not received via email. Youth referees are not to be asked to give out their phone number. Alternatively, in the case of poor cell service or an all-youth ref crew, or if this method is preferred by refs and/or coaches, the back-up paper copy of the roster can be presented by placing it on the ground so the head referee and the opposing team coach and/or manager can take a photo of it. Paper copies of rosters may not be handled by referees or opposing team coach/manager.
- Player and coach cards are not required. The GotSport roster, which includes photos of each player and team staff is required.
- Club Pass players must be added electronically to the roster. They may not be written in by hand at the field. Plan ahead.
- Un-necessary communication and/or harassment of referees by any club personnel, by phone call or text, will not be tolerated. Reports of such behavior will receive consequences from the UAYSL Board of Directors, at their discretion.
- Each team is allowed one person, who is not a team staff member, to be present to film the game. This person must be listed on the roster in the team staff section and must follow all mitigation mandates.
