

Menard Mitigation Plan for MTA Turf Field effective Jan. 4, 2021

*Follow all CDC, State and City guidelines

- Every User Group will designate a Team Mitigation Representative that will execute the mitigation plans of the City of Wasilla Menard Sports Center, and their organization's plans and policy while adhering to State, local and CDC guidelines.
- No one with COVID-19 symptoms, or other restrictions per the assessment will be allowed in the facility.
- Facemasks are required for all spectators and players while not engaged in physical activity.
- To reduce crossover traffic, all teams and leagues will use the West door for entry onto the soccer field (not the main front lobby door) and exit out of the East door after practice. See layout map.
- Players are not to be in the turf area more than 15 minutes before and 15 minutes after practice.
- Players are not to gather in the turf or lobby areas.
- Follow all signage inside the facility and social distancing requirements.
- Use hand sanitizer upon arrival.
- 30 minutes will be allocated between turf reservations for sanitation purposes and to clear the turf area.
- Players are to come dressed out prior to entering the turf area. Shoes may be put on utilizing the turf field.
- There is no bleacher usage. A few spaced chairs will be available for seating, but there is no spectator viewing from the main turf area.
- Spectators, while socially distanced, may view the turf field from the mezzanine for games and practices.
- Teams will not have usage of the track without paid reservation.
- Public Locker rooms are closed.
- Drinking fountains are not available.
- No sharing of food or water bottles.
- Handshakes and high-fives are discouraged.
- Restrooms are available on the West hall only.
- Siblings are not allowed in the facility unattended.
- All player equipment and clothing will be confined to a player's bag and not spread out on the sidelines. Players will sanitize their own equipment after usage.
- No more than 75 players on the field per camp or clinic.
- Failure to follow facility and sport mitigation plans may result in a loss of rental privileges without refund.
