

## Welcome to the Fox Hollow Sportsdome!

Below are a few guidelines to help make this a fun and safe experience for all.

1. All food and beverages other than personal water bottles must be kept in the (new) designated area. (Immediately to the right after entering Dome.)
2. Please change shoes and leave your bags and extra clothing in the designated area
3. The upstairs is closed except for golf
4. The Simulators are rented by golfers and are off limits.
5. The Pro Shop carries snacks and beverages available for purchase. Please do not bring outside foods and beverages into the facility (other than personal water bottles and reserved Parties)
6. Please respect the facility and keep your costs down by staying off the equipment and netting.
7. Areas roped off are off limits
8. Parents are responsible for their minor children. Please keep a close eye on siblings and athletes to insure their safety and behavior.
9. The turf is made for running! Please run only on the turf. The cement is hard and can become slippery from snow and ice tracked in. Do not allow children to run on the cement.
10. We have a **Birthday Area** available. The cost is \$30. You must provide adult supervision and keep all foods and beverages in this area. Please clean up after using this area.
11. The Pro Shop is not a rented space. Gatherings, meetings, and changing should not take place in the Pro Shop.
12. If you move a chair out on to the turf, return it when you are done
13. Please be considerate of the next group (or the staff at closing) and vacate the facility when your rental time ends.
14. Items left in the Dome will be placed in the Lost & Found for 30 days then disposed of.
