Dates your team is not available for games (ALL dates must be noted). Due to a short summer season and the number of requests for “no games”, there is NO GUARANTEE that games will not be scheduled for dates requested. Full team travel dates are given priority. However, if a team has too many trips then all dates may not be accommodated. With the travel dates, note the event name and location to which the team will be traveling. The days that games will be played are not known at this time. The intent is to schedule girls M/W and boys Tue/Thu but is subject to change due to field allocations.
